

# Natick High School Wall of Achievement

---

The Natick High School Wall of Achievement honors alumni for their exceptional achievements and contributions to society, and invites them back to campus to share their experience and insights with current students. This program illustrates to our students the importance of setting high educational and personal goals. To be eligible for nomination alumni must have:

- Graduated from Natick High School at least ten years ago
  - Demonstrated a high level of achievement and made significant contributions to work, home, community, or volunteer efforts.
  - Exhibited leadership, character, and service.
-
